

THE MOUNTAIN COLLECTION by WYNDHAM VACATION RENTALS IS LOOKING OUT for YOU with FINE LODGES & PRIVATE HOMES

VAIL, CO – The Mountain Collection by Wyndham Vacation Rentals provides you with easy access to the most popular mountain destinations in the West – Whistler, Vail, Beaver Creek, Aspen, Snowmass, Breckenridge, Keystone, Steamboat Springs, Telluride, Park City, Deer Valley and Sun Valley.

The Mountain Collection consists of lodging options ranging from hotel rooms up to 4- and 5-bedroom penthouse condominiums. As you know, travel sites are confusing when you try to make sense of the endless options and limited information. The rent by owner craze can also confuse the process even further. Wyndham Worldwide found the ideal solution when they created The Mountain Collection by Wyndham Vacation Rentals. This collection provides quality, vacation rental homes and condominiums that provide you with ample space for your family and friends, along with hotel style services that everyone deserves when they are on vacation.

Everyone loves to save money, and Wyndham Vacation Rentals has gathered some information on “insider bargains” to be found in some of their resort locations – whether it is a way to cut corners on expensive ski gear or tickets, or to find inexpensive ways to spend time in the resort villages.

Aspen and Snowmass, Colorado

The Mountain Collection properties in Aspen and Snowmass offer a variety of early and late season bargains, including an additional 25 percent off advance purchase pricing on lift tickets for use between Nov. 23 and Dec. 15, 2017, when purchased from Aspen Skiing Company at least seven days in advance.

You will find discounts of 25 percent on adult snowboard and ski rental equipment from Stay Tuned Rentals, if reserved at least 24 hours in advance of arrival for use between Nov. 23 and Dec. 15, 2017, and for use between April 1 and 15, 2018.

There is free skiing for kids between the ages of 7 and 12, from April 1 to 15, 2018, when their parents rent ski equipment for their kids from any Four Mountain Sports locations. This Kids Ski Free program and at least two nights of lodging must be reserved prior to March 1, 2018, through Stay Aspen Snowmass for this offer to be valid.

Breckenridge, Colorado

This old mining town offers many free activities, including sledding at Carter Park, gallery visits and museum tours. Learn about Barney Ford – an escaped slave who became an entrepreneur, black civil rights leader and an integral part of the community, or Edwin Carter who was a famous Breckenridge scientist from the 1800s on one of the free museum tours.

Park City Utah

In Park City, there are many ways to save money during your vacation. If you have an Epic Pass, you can skip the ticket office at Park City Mountain – that is a pretty big savings right there. Save on transportation by taking public transit. The Park City bus is free and goes almost everywhere in town. Try other free activities like the Alf Engen Ski Museum at the Utah Olympic Park or attend a champagne sabering at dusk on the patio at the St. Regis.

Beaver Creek & Vail, Colorado

In both locations, Wyndham Vacation Rentals’ partnership with Charter Sports is one way for you to save money. If you would rather not haul your gear all the way from home or pay to ship it, reserve your equipment in advance from Charter Sports and take advantage of exclusive 30 percent off discounts for guest of their properties. With shops conveniently located in The Charter at Beaver Creek, Lion Square Lodge at the Gondola in Vail and Montaneros in Vail (as Premier Sports), reserving your gear is a simple process. As an added advantage, they will also valet and store your skis overnight.

Whistler, British Columbia, Canada

Not only does Whistler have the most skiable terrain in North America, but it has some amazing deals, too. Kids under 12 stay, ski and rent free, and the free mountain tours will have you hitting the slopes like a local. Make sure to watch the amazing skiers and riders of the Fire & Ice Show at Skiers Plaza, free every Sunday night; and enjoy ice skating in the Olympic Plaza for only \$6 or free if you bring your own skates.

Steamboat Springs, Colorado

Not many places can blend a traditional Western atmosphere with a ski-town flare second to none. As Steamboat matures with more restaurants and bars opening, so does the local Après ski scene, with many restaurants offering up to 50 percent off appetizers and drinks. Check out some of the local’s favorite downtown happy hour specials at locations such as Mahogany Ridge Brewery & Grill, Aurum Food & Wine and The Laundry Kitchen and Cocktails. If you are looking for something closer to mountain, enjoy amazing happy hour savings at the Slopeside Grill, Truffle Pig and the local’s favorite T-Bar. Steamboat’s happy hour options offer something for every taste and budget.
